City Theatrical Launches QolorFLEX 25x3A Dimmer

City Theatrical launched its newest addition to the QolorFLEX® brand of professional LED Tape, Dimming Control and Accessories with [QolorFLEX 25x3A Dimmer](#) (P/N 5811), which is a low voltage, constant voltage, dimmer that is designed for large installations of LED tape.

The QolorFLEX 25x3A Dimmer is the five-channel version of City Theatrical's [QolorFLEX 24x3A Dimmer](#) (P/N 5810), for users who seek high-capacity dimmers to use for installations of 5-in-1 LED tapes, including [QolorFLEX 5-in-1 LED Tape, HiQ High CRI](#) for film and video, rather than LED tapes with four or fewer channels. The QolorFLEX 25x3A Dimmer features 25 channels of control and can accommodate five-channel LED tapes easily, creating efficiencies when it comes to installation time and wiring. The QolorFLEX 25x3A Dimmer is fully DMX and RDM compatible and offers standalone functions.

The QolorFLEX 25x3A Dimmer's maximum current load per channel is 3A with a Maximum Device Input of 75A. This dimmer's power connection is one removable Terminal Block Connector, Eight Pin, Male (P/N 6614) for DC Input, and output connections include five removable Terminal Block Connectors, Six Pin, Female (P/N 6613) for LED outputs. The DMX connections include 5-Pin XLR, 3-Pin XLR, and etherCON RJ45 connectors, which are a ruggedized and lockable RJ45 connector system, optimized for pro audio, video and lighting network applications.

The QolorFLEX 25x3A Dimmer also includes 99 curve selection options and 18 film and video modes. This dimmer requires an external power supply to suit the LED tape being used. It is designed for indoor use.

QolorFLEX solutions, including QolorFLEX 25x3A Dimmers, are used by lighting designers around the world for professional use on Broadway and live entertainment, television and film, and architectural lighting installations.

For more information on QolorFLEX 25x3A Dimmers, watch City Theatrical's 25-Channel Dimmer Product Introduction video hosted by City Theatrical General Manager Al Crawford at: <https://youtu.be/9D4Cg809WXY>
