Gayle Rankin as Sally Bowles in *Cabaret*. (Marc Brenner)

"The Lighting Design stretches from maximalist glitzy fervor — to a sobering shaft of light. This follows the emotional ride of this iconic musical, where sensitive color calibration and strong directionality are the core design gestures. Lucky for me, and my extraordinary Lighting Team, we curated an excellent mix of technology— helping us meet the demands of a modern musical. Our tools remain discreet while boldly keeping our eyes on the Kit Kat Club and it's memorable characters."

– Isabella Byrd, Lighting Designer, *CABARET*

**Start by admitting  
From cradle to tomb  
It isn't that long a stay.  
Life is a cabaret, old chum,  
Only a cabaret, old chum,  
And I love a cabaret!**
