For Immediate Release

City Theatrical Launches New Beam Control Accessories for ETC fos/4 Fresnel, Martin Professional, and GLP Fixtures

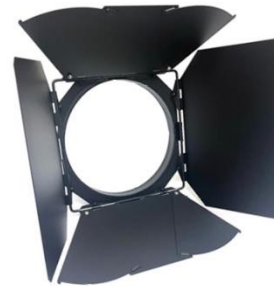

City Theatrical now offers standard [beam control accessories](#) designed to fit various professional light fixtures, including ETC's [fos/4 Fresnel](#) fixtures for film and video projects, Martin Professional's [ERA 800 Performance](#) and [MAC Ultra Performance](#), and GLP's [Impression X4 S](#). These new beam control accessories were developed based on City Theatrical's understanding of the unique accessory needs of lighting professionals, and the high demand for this moving light fixture in the market.

www.citytheatrical.com

To complement City Theatrical's Barndoors for ETC fos/4 Fresnel 7 and 10, City Theatrical developed the new [Light Leak Shield for ETC fos/4 Desire and Fresnel 7](#) (P/N 2632-LLS) and the new Light Leak Shield for ETC's fos/4 Fresnel 10 (P/N 2633-LLS) to enhance the use of these Barndoors to control light spill with even greater precision. These beam control accessory product launches come as a part of City Theatrical's accessory enhancement of [ETC's](#) line of fos/4 Fresnel lighting fixtures for film and video projects. ETC's fos/4 lighting fixtures also come with onboard City Theatrical [Multiverse® wireless DMX/RDM](#) technology.
